

## INFORMATION ABOUT EXHIBITION INSURANCE FOR NON-COMMERCIAL EXHIBITORS

The "Vereinigung zur Förderung des Deutschen Brandschutzes e. V. (vfdb) as the organizer of the "Interschutz 2020" has taken out insurance for every idealistic exhibitor at Gothaer Allgemeine Versicherung AG. The premium will be paid by vfdb.

This insurance covers the period of stay as well as the storage before and after the exhibition at the exhibition center (Messegelände) in Hannover.

Every exhibition item which is shown during the "Interschutz 2020" is insured. This insurance covers "all risks" during the exhibition, the assembly/dismantling as well as transports and demonstration.

Accessory is insured per stand by a lump sum of 5.000,- €.

Equipment with a replacement value of more than 1.000,- € is insured if it is registered on the list of equipment. .

### Exclusions:

Vehicles which were driven to and from the exhibition center (Messegelände) are not insured during the transports. They are only insured if they are transported.

Theft of unfixed parts of vehicles and turnable ladders are not insured. Claims on paintwork, scratches and markings are not insured.

### Claims caused by

- the nature of the items for example inherent vice, internal combustion, rusting, drying out, natural loss
  - the effects of the weather on items which were exhibited outside the hall on the exhibition grounds
- are excluded.
